

Marais Knob Installation Instructions

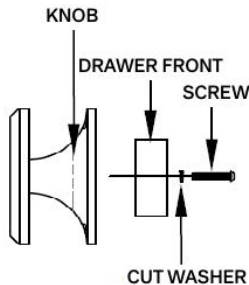

This knob includes hardware that is designed to mount securely to drawer fronts or cabinet doors that have a thickness range between $\frac{1}{2}$ inch and $1\frac{1}{4}$ inches. If your drawer front or door is thicker or thinner than this range, please obtain the appropriate size screw from your local hardware store.

PARTS INCLUDED

- 1 pc Knob
- 1 pc 8-32, 1" Truss Head Machine Screw with Washer

MOUNTING INSTRUCTIONS

1. Carefully determine a desired knob location and use a $\frac{3}{16}$ "-diameter drill bit and the appropriate drill to make the hole through the drawer/door front.
2. Insert the appropriate length screw.
3. Attach the knob onto the protruding threads of the screw and rotate clockwise until snug. Use a screwdriver to tighten the screw while gently holding the knob.

CARE INSTRUCTIONS

Wipe with a soft, dry cloth. To protect the finish, do not use household cleaners or abrasives.
