PARTS ENCLOSED:

- (A) Lamp
- (B) 1910 Squirrel cage clear Bulb - 60W - 1 piece

IMPORTANT SAFETY INSTRUCTIONS:

- These instructions are provided for your safety. It is very important that they are read carefully before beginning the installation of your fixture.
- For your safety, it is strongly recommended, that two people hang the lighting fixture.
- Turn off electricity at the main circuit breaker panel before beginning installation.
- This direct wire fixture must be installed by a certified and licensed electrician. Customer should not attempt to install.
- This fixture has been rated up to one 60W bulb maximum for medium base. To avoid the risk of fire, do not exceed the recommended wattage.
- If any special control devices are used with this fixture, follow the instructions carefully to assure full compliance with N.E.C. Requirement.
- If there are any questions, contact a licensed electrical contractor.

WARNINGS:

- To reduce the risk of fire, electrical shock or personal injury, always turn off light fixture and allow it to cool prior to replacing light bulb.
- Do not touch bulb when fixture is on. Do not look directly at lit bulb.
- Keep flammable material away from lit bulb.

TO ASSEMBLE:

1. Shut off electrical supply at main fuse box/circuit breaker. A licensed electrician should install this fixture.
2. Unpack all the parts and keep on a soft surface.
3. Slide apart the spokes of cage and gently install bulb (B) to the Lamp (A). Settle back the spokes to their original positions.
4. Attached power cord to socket.
5. Assembly is complete.

CARE INSTRUCTIONS: To clean, use a soft cloth only. Do not use any chemical or abrasive cleaners.
