B [1] LEG

**ASSEMBLY INSTRUCTIONS**

1. Carefully unpack the parts in the carton.
2. Put the table top(A) on a flat floor and turn them upside down.(Note:the floor must be covered with protective material so that the item isn't touching the floor directly.)
3. Position the table leg(B) over the table top(A) and align the base onto given hole on the top.
4. Insert Allen Bolt(1) and Washer(2) to the hole and tighten them to connect top(A) to leg(B).
5. Position L-Metal Bar(5) over the table top(A) and align the base onto given hole on the top.
6. Insert Allen Bolt(1) and Washer(2) to the hole and tighten them to connect top(A) to L-Metal Bar(5).
7. Turn the table up.
8. Position the base unit under the table top if needed. Then repeat 5. and 6. to install the side two parts.

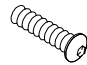

**NOTES:**Don't pull up one side during assembling the base units under the table top.

**CARE INSTRUCTIONS**

1. Clean periodically by wiping the table with a soft, clean cloth slightly.
2. We don't recommend using abrasive or chemical cleaners which may damage the finish on the furniture.

**IMPORTANT SAFETY INSTRUCTIONS**
