BEFORE YOU BEGIN

Thank you for choosing this quality product. Be sure to check all packaging materials carefully for small parts that may have become loose during shipment and place all parts on a non-abrasive surface.

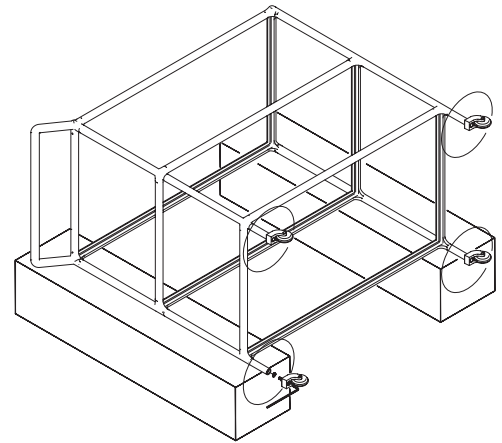

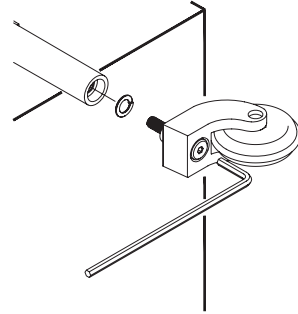

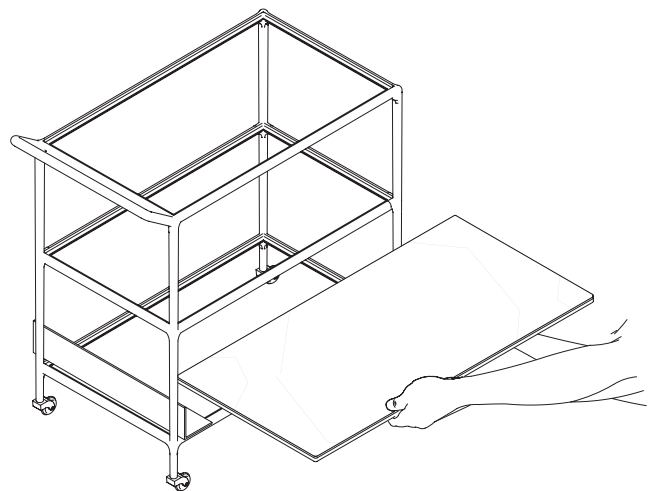

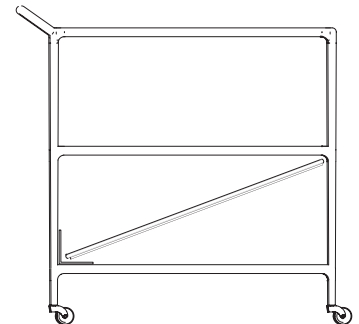

IMPORTANT

These Bar Cart parts can be cumbersome to some people. Two or more people are recommended to assemble the bed to prevent personal injury and ensure the Bar Cart is not damaged during the assembly process.

ASSEMBLY INSTRUCTIONS

1. With the aid of the support blocks, gently lay the Bar Cart on the side. On each end of the Bar Cart leg, there is a threaded hole designed to hold the caster. Install the caster together with a Lack washer and Tighten it with Allen Wrench provided. Please repeat the procedure with the other leg.
2. After installing the leg, gently turn the bar cart into an upright position.
3. SHELF INSTALLATIONS

- Before installing the shelves, set a folded piece of corrugated carton or a piece of rugs on the frame to keep the marble and the finish of the frame from damage.
- With assistance, gently lift the marble shelf and insert it through the opening of the Bar Cart.
- Once the marble reaches the other side of the cart, gently remove the carton or rugs and set the marble in place.
- Repeat the above procedure on the other shelf.
- Lastly, install the last marble top on the top of the bar cart. Please see the sketch in FIGURE 02.
