FEATURES

One of the great Gallic inventions of the last century is *le bar zinc* - the zinc-covered counter. Offering industrial appeal, enduring performance and a warm patina, our zinc vanities are hand-wrapped with brushed, zinc-clad aluminum in a grey patina and include antiqued cast iron hardware.

- Sink bases include basins and are sold individually or as a set with your choice of stone top
- Customize with a 1¼"-thick Italian Carrara marble, Italian Crema marble, Italian Pietra Grigio marble or Belgian bluestone top
- All stone tops are hand-finished, sealed twice for longevity and pre-drilled to accommodate all 8" widespread faucet sets (sold separately) and our 19" undermount basin (included)

- 3"H backsplash included with top
- Resistant to moisture and scratches
- Turned wood feet are covered in metal
- Construction crew recommended to facilitate delivery; professional installation also recommended
