## HEIRLOOM SILVER-CHEST BATH COLLECTION

### FEATURES

In the days of heirloom silver, families stored their prized flatware and serving pieces in heavyweight wooden trunks fitted with interior organization. Inspired by the aesthetic and impressed by the practical utility of the trunk, we've repurposed it, in materials suitable for the bath.

- Sink bases include basins and are sold individually or as a set with your choice of stone top
- Customize with 1¼"-thick Italian Carrara marble, Italian Crema marble, Italian Pietra Grigio marble or Belgian bluestone top
- All stone tops are hand-finished, sealed twice for longevity and pre-drilled to accommodate all 8" widespread faucet sets (sold separately) and our 19" basin (included)
- 3"H backsplash included with top
- Built by hand of solid hardwood with riveted iron straps
- Hand-forged, hand-hammered iron hardware has a rust-hued finish
- Heavy metalwork handles at sides lie flat against a protective escutcheon and swing up for transport

- Smoothed with a hand-applied natural finish
- Top 2 drawers of Vanity Sinks are decorative
- Powder Room Vanity Sink and Single Vanity Sink cabinet doors open to reveal 1 drawer and 1 shelf; Extra-Wide Single Vanity Sink and Double Vanity Sink cabinet doors open to reveal 2 drawers and 2 shelves
- This collection is crafted with unsealed metal that may rust over time, enhancing its rustic one-of-a-kind character. Note that the rust may rub off if it comes in contact with other furniture or fabrics
- Removable back fits any kind of plumbing
- Construction crew recommended to facilitate delivery; professional installation also recommended
