FEATURES

Vintage elm gains new life in our handcrafted table, a design that recalls the box-form furnishings of China's Ming Dynasty. Designed for mobility, the originals were made for scholars who required a smooth and sturdy surface for their roving pursuits.

- Antique reclaimed elm is hand selected, planed and sanded
- Mitered-corner construction frames the planked, center-panel top
- Inverted foot finishes the inward curve of each leg

- By their nature, unsealed salvaged wood planks may be somewhat uneven and may cup or bow slightly over time, further enhancing their rustic one-of-a-kind character; cracks, nicks and imperfections will be present
- This item is artisan crafted with meticulous care. Given its handmade and hand-finished nature, variations in the wood are to be expected and celebrated. No two items are exactly alike.
