FEATURES

Handcrafted from salvaged doors, slats of solid pine lend our collection extraordinary character and visual interest. The softly weathered wood is carefully smoothed, while retaining the unique nicks and scuffs from its former life.

- Striking slatted designs, handcrafted from reclaimed pine
- Desk has inset glass top and 3 side drawers
- Sideboard has 1 fixed shelf
- Media Console has wire management, and an open slat design that enables use of remote controls with the doors closed
- Reclaimed wood is accented with distinctive nicks, exposed knots and imperfections that speak to the wood's provenance

- By their nature, salvaged wood planks may be somewhat uneven, and may cup or bow slightly over time, further enhancing their rustic one-of-a-kind character; cracks will be present
- This item is artisan crafted with meticulous care. Given its handmade and hand-finished nature, variations in the wood are to be expected and celebrated. No two items are exactly alike.
