FEATURES

An early 20th-century English steamer trunk, originally belonging to a traveler named Tom Richards, was the inspiration for our collection of exactly reproduced trunks, tables, desks and bookcases. Constructed in homage to the original, each piece is crafted of wood frames clad in polished aluminum and finished with hand-hammered pins, braced with aged bamboo trimmed with antiqued brass, and fitted with leather handles and corner protectors. Also available in Beige Canvas or Charcoal Canvas.

- Equipped with brass luggage latches
- Drawers are canvas lined
- Cast-metal antiqued hardware

- Coffee Tables have fixed lids and deep drawers on either side
- Tall Coffee Table, Cubes and Chests all have lids that open for additional storage
- Media Console includes front panels that flip down to reveal 2 levels of canvas-lined storage for media components; rear panels flip down for wire management
- Desks include spacious drawers for organization
- Secretary features pull-down desktop, multiple drawers, cubbies, wire management system and bookshelves; has wheels for mobility and closes for storage and privacy
