### FEATURES

Originally designed to accommodate fireside seating around British hearths, the barrelback chair evolved into a myriad of styles and roles that preserved its comfort. Our reproduction of a 1940s French varietal has the gently curved barrelback of the original, with clean, sculpted lines, simple oak legs and upholstery tacks outlining the chair's profile.

- Built with an oak frame and solid oak tapered legs
- Generously padded seat and back
- Available in 3 wood finishes

### FABRIC CARE

Dust or vacuum regularly to help keep fabric looking new. Dab spills immediately with a soft, white cloth dampened with distilled water. Do not use tap water or detergents to clean. Professional in-home upholstery cleaning is recommended. Avoid direct sunlight to protect the fabric.

### LEATHER CARE

Dust regularly. Dab spills immediately with a soft, clean cloth. Do not use polishes, preservers, or leather soaps to clean. Light scratches may be rubbed out by the natural heat of your finger. Aniline-dyed leather will lighten and soften over time and develop a rich, burnished patina. Avoid direct sunlight and heat to protect the leather.

### WOOD CARE

Wipe wood with a soft, dry cloth. Avoid direct sunlight and heat to protect wood finish.

### SWATCHES
