### FEATURES

In early 1700s England, the Windsor chair was a staple of country inns. Before long, this emblem of hospitality made its way to America, where master carpenters in colonial Philadelphia, New York and Boston refined the lines. Our solid oak chair reproduces that early 18th-century American style, with a timeless hoop-back, saddle seat and hand-turned spindles and legs joined by 3 stretchers.

- Handcrafted from solid oak using traditional joinery
- Smoothly carved saddle seats offer long-sitting comfort
- Hoop-back design with curved top rail and wrap-around arms
- Available in 3 rustic, weathered and hand-applied finishes
- Cushions sold separately
