FEATURES

Taking its cue from 19th-century European designs, our architecturally inspired dining table sits atop shapely, hand-turned balusters resting on ball feet. The softly weathered finish imparts the patina and presence of an heirloom.

- Constructed by hand of solid oak
- Mortise-and-tenon joinery
- Hand finished
- Spindle-turned baluster legs

- This item is artisan crafted with meticulous care. Nicks, imperfections and natural variations in color are to be expected and celebrated.

CARE

Clear furniture wax can be applied to protect the finish from minor spills. Use coasters or placemats to help prevent marks or stains. Avoid mineral oil, as its usage could discolor the wood. Wipe the table clean with a soft, dry cloth after each use.
