FEATURES

Paying homage to the simple beauty and statuesque scale of a 19th-century antique, our handsome table is crafted from thick planks of reclaimed oak set atop massive, spindle-turned columns.

- Handcrafted of solid reclaimed oak timbers from decades-old buildings in Russia
- Rough-hewn oak planks are carefully hand-selected, planed and sanded
- Tabletop bears the patina of reclaimed wood and is accented with distinctive nicks, exposed knots and imperfections that speak to the wood's provenance
- Trestle base with L-shaped stretcher and spindle-turned column legs resting on an I-shaped stretcher
- By their nature, salvaged wood planks may be somewhat uneven, and may cup or bow slightly over time, further enhancing their rustic, one-of-a-kind character; cracks will be present

- This item is artisan crafted with meticulous care. Given its handmade and hand-finished nature, variations in the wood are to be expected and celebrated. No two items are exactly alike

CARE

Clear furniture wax can be applied to protect the finish from minor spills. Use coasters or placemats to help prevent marks or stains. Avoid mineral oil, as its usage could discolor the wood. Wipe the table clean with a soft, dry cloth after each use.
