### FEATURES

Our reclaimed-pine table bears the construction and design hallmarks of the early 20th century, when fine craftsmanship and simple forms were sought and prized.

- Base handcrafted of reclaimed pine that has been carefully hand-selected, planed and sanded
- Unfinished base has the patina of reclaimed wood, with nicks, imperfections and nail marks that reveal its provenance
- Tripod trestle braced by three arching brackets at both top and bottom
- Slightly elevated feet raise support a bit above the floor
- Supports connected by a transverse plank stretcher
- This item is artisan crafted with meticulous care. Given its handmade and hand-finished nature, variations in the wood are to be expected and celebrated. Each item is unique and no two are exactly alike.
- Unfinished tabletop bears the patina of reclaimed wood and is accented with distinctive nicks, exposed knots and imperfections that speak to the wood's provenance

- By their nature, salvaged wood planks may be somewhat uneven, and may cup or bow slightly over time, further enhancing their rustic one-of-a-kind character; cracks will be present

### CARE

Clear furniture wax can be applied to protect the finish from minor spills. Briwax, a high-quality finishing wax, is our furniture sealant of choice; apply as directed. Please note that slight variations in color and an incomplete seal may occur with any sealant. To ensure desired results, test sealant on an inconspicuous area first. Use coasters or placemats to help prevent marks and stains. Wipe the surface clean with a soft, dry cloth after each use.
