FEATURES

The intricate, inlaid designs of French parqueterie – a woodworking technique introduced in the 17th century – enhance our generous dining table, a trestle style supported with spherical turnings from the same era.

- Elm top inlaid with a geometric parquetry mosaic
- Turned trestle base is solid hardwood
- Naturally sealed top and distressed white painted base, providing contrast as well as protection against moisture

CARE

Clear furniture wax can be applied to protect the finish from minor spills. Use coasters or placemats to help prevent marks or stains. Avoid mineral oil, as its usage could discolor the wood. Wipe the table clean with a soft, dry cloth after each use.
