See our website for pricing, additional views and more of our dining collections.

\*Seating capacity based on 20"W Side Chairs along the length and an Armchair at each end.

\*\*Seating capacity based on 20"W Side Chairs.

### FEATURES

Our table's smoothly honed thick concrete top with a softly weathered finish complements the natural beauty of solid reclaimed pine timbers from 100-year-old buildings in Europe.

- Tabletop is handcrafted from 1½"-thick concrete composite in weathered grey
- Table base bears the hallmarks of old wood with nicks, imperfections and nail marks that reveal the table's provenance
- Inherent variations in the color and shading of the concrete, as well as the casting process, lend unique character to each table; no two will be exactly alike
- Concrete tabletop is porous and therefore prone to spotting and staining if not protected. We advise the use of coasters and placemats to protect against water, wine and other stains.
- Concrete tabletop may exhibit hairline cracks. Over time and with use, scratches may also appear.

- By their nature, unsealed salvaged wood planks may be somewhat uneven, and may cup or bow slightly over time, further enhancing their rustic one-of-a-kind character; cracks may be present
- This item is artisan crafted with meticulous care. Given its handmade and hand-finished nature, variations in the wood or concrete are to be expected and celebrated. Each item is unique and no two are exactly alike.
- Indoor use only; wood not treated for outdoor use

### CARE

Clean with a damp cloth. Avoid abrasive soaps and cleaners. Wipe up spills quickly to avoid staining. Do not cut directly on tabletops.

### SWATCHES

Wood swatches available for purchase online, in stores or by calling 800.816.0901.
