FEATURES

Our distressed table achieves a perfect balance between past and present, marrying the rich character of rough-hewn, Russian reclaimed oak planks with the sleek modernity of an industrial metal base.

- Table top is handcrafted of beautifully grained, solid reclaimed oak timbers from decades-old buildings in Russia
- Rough-hewn planks are carefully hand selected, planed and sanded
- Top bears the patina of reclaimed wood and is accented with distinctive nicks, exposed knots and imperfections that speak to the wood's provenance
- Sturdy metal base has an industrial metal finish

- By their nature, salvaged wood planks may be somewhat uneven, and may cup or bow slightly over time, further enhancing their rustic one-of-a-kind character; cracks will be present
- This wood top is artisan crafted with meticulous care. Given its handmade and hand-finished nature, variations in the wood are to be expected and celebrated. Each item is unique and no two are exactly alike

CARE

Clear furniture wax can be applied to protect the finish from minor spills. Use coasters or placemats to help prevent marks or stains. Avoid mineral oil, as its usage could discolor the wood. Wipe the table clean with a soft, dry cloth after each use.
