### FEATURES

Our table's industrial-style cast iron trestle base complements the natural beauty of the wood top, crafted from planks of rough-hewn, reclaimed elm.

- Salvaged plank tabletop is hand-selected, planed, sanded and unfinished, with the patina of reclaimed elm
- Recessed, inset groove divides the surface at its mid-point
- Welded, bolted solid cast iron base is supported by brackets and a tubular stretcher
- Rectangular pad beneath the gallery-edged feet

- By their nature, unsealed salvaged wood planks may be somewhat uneven and may cup or bow slightly over time, further enhancing their rustic, one-of-a-kind character; cracks may be present
- This item is artisan crafted with meticulous care. Given its handmade and hand-finished nature, variations in the wood are to be expected and celebrated. No two items are exactly alike.

### CARE

Clear furniture wax can be applied to protect the finish from minor spills. Use coasters or placemats to help prevent marks or stains. Avoid mineral oil, as its usage could discolor the wood. Wipe the table clean with a soft, dry cloth after each use.
