FEATURES

Inspired by a 19th-century antique partner's desk, our reproduction of this French neoclassical piece offers ample room with a broad top. Tapering, fluted legs lend it the airy expansiveness of the traditional library tables upon which it is based.

- Crafted by hand from solid oak
- Tapering, columnar legs

- Desk has three drawers on each long side
- Panel-front drawers are fitted with brass pulls

CARE

Clear furniture wax can be applied to protect the finish from minor spills. Use coasters or placemats to help prevent marks or stains. Avoid mineral oil, as its usage could discolor the wood. Wipe the table clean with a soft, dry cloth after each use.
