FEATURES

Solid pine timbers shape our substantial kitchen island, perfect for cooking or other non-culinary endeavors.

- Handcrafted of unfinished, solid reclaimed pine timbers from 100-year-old buildings in Europe
- Each plank is hand-selected, planed and sanded
- Each unfinished plank bears the marks and imperfections earned over years of use
- Bottom shelf offers ample storage
- Available in 3 finishes
- By their nature, unsealed salvaged wood planks may be somewhat uneven, and may cup or bow slightly over time, further enhancing their rustic one-of-a-kind character; cracks may be present

- This item is artisan crafted with meticulous care. Given its handmade and hand-finished nature, variations in the wood or metalwork are to be expected and celebrated. Each item is unique and no two are exactly alike.

CARE

Clear furniture wax can be applied to protect the finish from minor spills. Briwax, a high-quality finishing wax, is our furniture sealant of choice; apply as directed. Please note that slight variations in color and an incomplete seal may occur with any sealant. To ensure desired results, test sealant on an inconspicuous area first. Use coasters or placemats to help prevent marks and stains. Wipe the surface clean with a soft, dry cloth after each use.
