### FEATURES

We topped a substantial, trestle-style table with intricate elm parqueterie – a woodworking technique created to impress nobility at the 17th-century French court. Its clean, linear design gives it an elegant simplicity.

- Elm top inlaid with a geometric parquetry mosaic
- Clear-coat finish protects the beauty of the wood
- Solid wood base is corner-braced for strength
- Base painted distressed white

### CARE

Clear furniture wax can be applied to protect the finish from minor spills. Use coasters or placemats to help prevent marks or stains. Avoid mineral oil, as its usage could discolor the wood. Wipe the table clean with a soft, dry cloth after each use.
