### FEATURES

Classic sawhorse legs support the planked top of our distressed dining table. Crafted of solid oak timbers reclaimed from decades-old Russian buildings, the wood is meticulously finished by hand yet retains all the original nicks, knots and imperfections to enhance its rustic character.

- Handcrafted of beautifully grained, solid reclaimed oak timbers from decades-old buildings in Russia
- Rough-hewn planks are carefully hand-selected, planed and sanded
- Table bears the patina of reclaimed wood and is accented with distinctive nicks, exposed knots and imperfections that speak to the wood's provenance
- Available in 3 finishes

- By their nature, salvaged wood planks may be somewhat uneven, and may cup or bow slightly over time, further enhancing their rustic one-of-a-kind character; cracks will be present
- This wood table is artisan crafted with meticulous care. Given its handmade and hand-finished nature, variations in the wood are to be expected and celebrated. Each item is unique and no two are exactly alike

### CARE

Clear furniture wax can be applied to protect the finish from minor spills. Use coasters or placemats to help prevent marks or stains. Avoid mineral oil, as its usage could discolor the wood. Wipe the table clean with a soft, dry cloth after each use.
