FEATURES

Our salvaged beam wood tables are handcrafted of unfinished, solid reclaimed pine timbers from 100-year-old buildings in Europe.

- Rough-hewn planks are carefully hand-selected, planed and sanded
- Handsomely distressed and generously sized to accommodate large gatherings
- Unfinished tabletop has the patina of reclaimed wood
- Bears the hallmarks of old wood with nicks, imperfections and nail marks that reveal the table's provenance
- By their nature, unsealed salvaged wood planks may be somewhat uneven, and may cup or bow slightly over time, further enhancing their rustic one-of-a-kind character; cracks may be present

- This item is artisan crafted with meticulous care. Given its handmade and hand-finished nature, variations in the wood or metalwork are to be expected and celebrated. Each item is unique and no two are exactly alike.

CARE

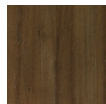

Clear furniture wax can be applied to protect the finish from minor spills. Briwax, a high-quality finishing wax, is our furniture sealant of choice; apply as directed. Please note that slight variations in color and an incomplete seal may occur with any sealant. To ensure desired results, test sealant on an inconspicuous area first. Use coasters or placemats to help prevent marks and stains. Wipe the surface clean with a soft, dry cloth after each use.
