### CORSICA COLLECTION WITH RECLAIMED TEAK TABLES

#### FEATURES

An indoor classic, elegantly adapted for the outdoors. Expansive rolled arms, gracious lines, generous proportions and ultra-deep seats offer enduring comfort, generous proportions and contemporary lines.

- Generously proportioned
- Rustproof aluminum frames
- Man-made weatherproof strands resist fading, cracking and tearing
- Wicker has variegated grey finish
- Sectionals are modular and available as a set or as individual pieces, to let you customize overall dimensions to suit your space
- Reclaimed Teak tables are crafted from old wood; cracks and shade variations, as well as nicks, nail marks and other imperfections reflect the wood's provenance
- By their nature, reclaimed teak planks may be somewhat uneven, and may cup
  or bow slightly over time; left untreated, they will continue to weather to a deeper
  shade of silvery grey while withstanding sun, rain, frost and snow
- 18th C. Teak Wingback Chair features a weathered grey finish and will acquire an even softer patina over time
- Lofty, zippered and poly-filled seat and back cushions are sold separately; see website
- Cushions available in 68 fabric options: 42 colors in Perennials® Textured Linen Weave, Classic Linen Weave, Faille or Textured Stripe; and 26 colors in Sunbrella® Twill or Canvas fabrics
- Both Perennials and Sunbrella fabrics are easy-care and weather-friendly, resisting mildew, stains and fading
- · Protect your investment with our custom-fit outdoor covers

#### CARE

Use a dry, clean cloth to dust your furniture weekly and help maintain its luster. To clean furniture, spray off any dirt or debris with a hose and wipe dry. For tougher stains, use our Outdoor Furniture Cleaner and wipe dry with a soft cloth. Avoid letting water stand on the surface of your furniture and cushions; protect them with our custom-fit furniture covers. For all our outdoor furniture-care products, see our website.

#### All-Weather Wicker

If exposed to harsh sunlight or the elements, all-weather wicker will fade over time. We recommend that you protect your furniture and prolong its life with our customfit outdoor furniture covers when not in use.

#### Teak

To maintain your furniture's original condition, thoroughly clean it twice a year. To clean teak, apply a solution of mild cleanser and water (or our Outdoor Furniture Cleaner & Stain Remover) with a soft brush. Gently scrub the teak free of any dirt and discoloration, and rinse well. Dry with a soft, clean cloth, making sure all surface water is removed to avoid damage and mildew.

Reclaimed Teak Tables - When left uncovered and untreated, unfinished teak will gradually soften to a handsome silvery-grey shade. Protect your furniture with our custom-fit covers when not in use.

18th C. Teak Wingback Chair - To prolong its soft, weathered finish, protect your furniture with our custom-fit covers when not in use. If left uncovered, the weathered grey finish will fade away after a season of use. Once the weathered finish fades, exposing unfinished teak to the elements, the furniture will begin to acquire the beautiful silvery-grey patina that is typical of untreated teak.

#### Cushions

Removable Sunbrella® cushion covers are machine washable. Perennials® cushion covers may be spot cleaned with mild, natural soap and thoroughly rinsed with lukewarm water; we recommend our biodegradable Fabric Cleaner. Professional cleaning is recommended for tough, persistent stains.

Allow fabric to air dry. Flip cushions on their sides when wet to help drainage. To protect furniture and cushions year-round, use our custom-fit covers when furniture is not in use. Use our non-toxic Fabric Guard to help outdoor fabrics repel moisture. **SWATCHES**
