

RESTORATION HARDWARE

CUSTOM OUTDOOR FURNITURE COVERS

Allow 14-21 days for delivery in most US metropolitan areas. Customers will have 24 hours from placement of custom orders to cancel. After 24 hours, a 50% deposit will be retained by Restoration Hardware and cannot be refunded. Custom order merchandise is non-cancellable, non-returnable and non-refundable with the exception of manufacturer defects or damages. For pricing and delivery to Canada, see our website.

FEATURES

Custom-made to fit our outdoor furniture and select accessories, our covers offer superior performance and are made of breathable Sur Last® fabric that's highly resistant to mold, tearing and fading. They're the design industry's choice for protecting furniture from dust and dirt, harsh ultraviolet rays and inclement weather.

- Custom-made to fit our sofa and sectional collections, chaises, dining tables and coordinating dining chairs, and select accessories
- Durable, light grey Sur Last® fabric is 100% solution-dyed polyester
- Breathable fabric resists mold and mildew
- Dining table cover includes a tenting device to prevent water from pooling on surface
- Resists shrinkage, fading, UV rays and harsh weather
- Holds its shape without tearing or stretching
- Highly water-resistant
- Secures with straps and a self-release buckle
- Machine washable
- 3-year limited warranty

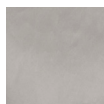

CARE

Outdoor furniture should be covered when not in use to protect against the elements.

Before placing covers on furniture, spray off any debris with a hose and wipe furniture dry with a soft cloth; residue trapped on the surface can create mold.

For ongoing care of covers, spray off any dirt or debris with a hose once a month. A more rigorous cleaning will be needed every 2-3 years; use a soft bristle brush and a cleaning mixture of cold or lukewarm water (under 100°F) and mild, natural soap. Avoid harsh detergents.

For stubborn stains, apply a mixture of diluted chlorine bleach and water. Lightly spray mixture on the fabric (non-coated side). Do not soak fabric for more than 2 minutes; prolonged exposure to harsh chemicals can damage the interior lining. Rinse thoroughly. Air dry only.
