FEATURES

Recalling the glamour of 1950s Hollywood, this iconic design pairs woven Sunbrella® straps and an angular solid brass frame for a tailored mid-century look. Ultra-comfortable and exceptionally engineered to withstand the elements, Sunbrella® straps are UV-resistant to prevent fading, tightly knit to avoid tearing and dry quickly, avoiding mildew.

- Brass will acquire a rich, matte-bronze patina over time
- Brass can be polished to restore its original luster
- Sunbrella straps are knit with premium synthetics for enduring quality, comfort and resilient support
- Tables have rustproof aluminum tops with a bronze finish

CARE

Use a dry, clean cloth to dust your furniture weekly and help maintain its luster. To clean furniture, spray off any dirt or debris with a hose and wipe dry with a soft cloth. Avoid letting water stand on the surface. To keep furniture clean and prolong its life, protect pieces with our custom-fit furniture covers.
