FEATURES

Sized for environments where space is at a premium, Stinson is crafted of sturdy teak that will withstand sun, rain, frost or snow. Seamlessly joined square slats of Indonesian teak are affixed to a frame of brushed stainless steel that resists corrosion for decades.

- Smaller proportions
- Stainless steel frames
- Premium Grade A teak slats
- Teak will weather to a silvery grey over time
- Dining chairs are stackable
- All dining tables except the 31" Square have umbrella holes

- Lofty, zippered and poly-filled seat and back cushions are sold separately; see website
- Cushions available in 68 fabric options: 42 colors in Perennials® Textured Linen Weave, Classic Linen Weave, Faille or Textured Stripe; and 26 colors in Sunbrella® Twill or Canvas fabrics
- Both Perennials and Sunbrella fabrics are easy-care and weather-friendly, resisting mildew, stains and fading
- Protect your investment with our custom-fit outdoor covers

CARE

Use a dry, clean cloth to dust your furniture weekly and help maintain its luster. To clean furniture, spray off any dirt or debris with a hose and wipe dry. For tougher stains, use our Outdoor Furniture Cleaner and wipe dry with a soft cloth. Avoid letting water stand on the surface of your furniture and cushions; protect them with our custom-fit furniture covers when not in use. For all our outdoor furniture-care products, see our website.

Teak

To maintain your furniture's original condition, thoroughly clean it twice a year. To clean teak, apply a solution of mild cleanser and water (or our Outdoor Furniture Cleaner & Stain Remover) with a soft brush. Gently scrub the teak free of any dirt and discoloration, and rinse well. Dry with a soft, clean cloth, making sure all surface water is removed to avoid damage and mildew. Our non-toxic Outdoor Teak Protectant helps protect wood against UV rays and stains.

Stinson - When left uncovered and untreated, the unfinished teak will gradually soften to a handsome silvery-grey shade.

Cushions

Removable Sunbrella® cushion covers are machine washable. Perennials® cushion covers may be spot cleaned with mild, natural soap and thoroughly rinsed with lukewarm water; we recommend our biodegradable Fabric Cleaner. Professional cleaning is recommended for tough, persistent stains.

Allow fabric to air dry. Flip cushions on their sides when wet to help drainage. To protect furniture and cushions year-round, use our custom-fit covers when furniture is not in use. Use our non-toxic Fabric Guard to help outdoor fabrics repel moisture.
