Planters are delivered in 3-7 business days in most US metropolitan areas. Rush delivery is available for most items. See our website for delivery to Canada, pricing and additional views. Catalog and Web only.

### FEATURES

- Cast of a composite stone that replicates the look of aged terracotta
- Will acquire a weathered patina over time
- Lightweight yet durable
- Highly corrosion resistant
- Weather resistant; can withstand temperature extremes
- Cast and finished by hand, making each piece unique
- Adamo planters detailed with drainage hole

### CARE

- Keep dry to prevent corrosion. Store inside during winter months; not frost-proof.
- Natural minerals and salts are present in the cast stone products. When in contact with soil and/or water, white minerals may appear on the surface of the planter. Use a soft brush and water to wash away the minerals. Once removed, the minerals no longer surface on the planter.
