FEATURES

Repurposed from 100-year-old reclaimed solid elm doors, our handcrafted tables combine natural, old-world materials with a streamlined profile to create an of-the-moment aesthetic. Sealed with lacquer to protect the wood's beautiful grain. No two tables are alike.

- Crafted from centuries-old elm exterior doors
- Weather-hardy reclaimed elm is hand-selected, planed, sanded smooth and sealed with lacquer to highlight the wood's grain
- Cracks and shade variations, as well as nicks, nailmarks and other imperfections reflect the wood's provenance

- By their nature, reclaimed elm planks may be somewhat uneven, and may cup or bow slightly over time

CARE

Use a dry, clean cloth to dust your furniture weekly. To clean furniture, spray off any dirt or debris with a hose and wipe dry. Avoid letting water stand on the surface of your furniture. Protect your furniture with our custom-fit covers when not in use.
