### FEATURES

Evocative of well-loved furniture that has hosted countless gatherings in the French countryside, our table has a broad top and x-base supports at each end. Each hand-built piece is made of unfinished, natural teak, which will weather beautifully to a silvery grey.

- Handcrafted of unfinished, natural teak
- Mortise-and-tenon joinery for enduring construction
- This item is artisan crafted with meticulous care. Given its handmade and hand-finished nature, variations in the wood are to be expected and celebrated. Each item is unique and no two are exactly alike.

### CARE

Use a dry, clean cloth to dust your furniture weekly and help maintain its luster. To clean furniture, spray off any dirt or debris with a hose and wipe dry. Avoid letting water stand on the surface.

*Unfinished Teak* - When left uncovered and untreated, the unfinished teak will gradually soften to a handsome silvery-grey shade. Protect your furniture with our custom-fit covers when not in use.
