KNOX TASK FLOOR LAMP

IMPORTANT SAFETY INSTRUCTIONS

1. Do not break or pull out LED light bulbs.
2. Indoor use only.
3. Do not look directly at the light.
4. Keep lamp away from materials that may burn.
5. If the supply cord or adapter is damaged, it must be replaced only by service agent or a qualified-technician.

WARNINGS

All wires are connected. When unpacking, be careful not to pull wires, as a bad connection may result. Do not connect electricity until your fixture is fully assembled. To reduce the risk of fire, electrical shock, or personal injury, always turn off fixture and allow it to cool prior to replacing the light bulb. Do not touch or look directly at the bulb when fixture is illuminated. Keep flammable materials away from lit bulb.

WARNING: This product can expose you to lead, which is known to the State of California to cause cancer and birth defects or other reproductive harm. For more information, go to www.P65Warnings.ca.gov.

THIS PRODUCT IS NOT A TOY AND HAS NO PLAY VALUE. ASSEMBLY & INSTALLATION

**WARNING: STRANGULATION HAZARD**

Keep cord at least 3 feet away from cribs, bassinets, and toddler beds. Keep out of reach of children under 3 years of age.

ASSEMBLY & INSTALLATION

1. Carefully remove all parts from the box and remove all plastic coverings.
2. Remove red Plug Cover (D) from Plug (C).
3. Plug into proper electrical outlet and test fixture.
4. Assembly is complete.

TO ADJUST HEIGHT

1. Loosen Lamp Pole (A) by lifting Break (B) upward.
2. Adjust the lamp by pulling or pushing Lamp Pole (A) up or down to the desired height.
3. Secure Lamp Pole (A) into place by pressing Break (B) downward.

CARE INSTRUCTIONS

Do not use polishes or cleaners on the fixture. Wipe clean with a soft, dry cloth.

Caution: Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

IC COMPLIANCE:

This Class B digital apparatus complies with CAN ICES-005 (B)/NMB-005(B). NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy, and if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. IF this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to connect the interference by one or more of the following measures:

Reorient or relocate the receiving antenna.

Increase the separation between the equipment into an outlet on a circuit different from that to which the receiver is connected.

Consult the dealer or an experienced radio/TV technician for help.
