General material: Iron
Height: 31in (79cm)
Width: 6in (15cm)
Length: 6in (15cm)
Weight: 31.3lbs (14.2kg)
Hardwired

IMPORTANT SAFETY INSTRUCTIONS

PROFESSIONAL INSTALLATION REQUIRED.

Use an authorized and certified electrician for consultation and installation. This fixture has been rated for one (1) 40-watt maximum E26 bulb and 9-watt maximum LED strip.

To avoid the risk of fire, do not exceed the recommended wattage. The manufacturer and distributor accept no liability for incorrect installation. For indoor use only. Keep away from children.

WARNINGS

Turn off electricity supply at main circuit panel before installing. Do not connect electricity supply until your table lamp is fully assembled and installed.

All wires are connected. Do not remove the table lamp from its packaging by pulling on the power cord, as a bad connection may result.

To reduce the risk of fire, electrical shock, or personal injury, always turn off the table lamp and allow it to cool prior to replacing lightbulbs. Do not touch bulbs when fixture is turned on or look directly at lightbulbs. Keep flammable materials away from lightbulb.

Deviation from instructions may result in a risk of fire or electric shock.

WARNING: This product can expose you to lead, which is known to the State of California to cause cancer and birth defects or other reproductive harm. For more information, go to www.P65Warnings.ca.gov.

THIS PRODUCT IS NOT A TOY AND HAS NO PLAY VALUE.

WARNING: STRANGULATION HAZARD
Keep cord at least 3 feet away from cribs, bassinets, and toddler beds. Keep out of reach of children under 3 years of age.

ASSEMBLY & INSTALLATION

SHUT OFF THE MAIN ELECTRICAL SUPPLY FROM THE FUSE BOX OR CIRCUIT BREAKER PANEL.

1. Carefully remove all parts from the box and remove all plastic covering.
2. Turn OFF power to lamp where the table lamp will be installed.
3. Place the table lamp body (C) on the flat surface.
4. Attach the lamp bracket (B) to the lamp body with bolt (C1).
5. Attach the lampshade (not included) to the lamp bracket (B) with screw cap (A).
6. Insert plug into socket and test floor lamp fixture.

INSTRUCTIONS FOR REPLACE THE LED STRIP IN THE BASE

1. Split the bottom the weaving (1), then unscrew the screw (2) and remove bottom panel (3) from the bottom of the base.
2. Unscrew the screw (6) from the driver (4), then draw out the driver (4) from the metal box (7).
3. Snip all the wire nuts (5) and take the wires connections apart, then remove the driver (4) from the metal box (7).
4. Drag the metal box (7) out from the base carefully.
5. Unscrew all the screws (9) and remove the LED board (10) from metal bar on the metal box (7).
6. Fix the new LED board on the metal bar with screws (9).
7. Insert the wires to the metal bar and through into the metal box (7), then connects the wires with wire nuts (5) as drawing in left.
8. Fix the driver (4) in metal box (7) with screw (6)
9. Attach the bottom panel (3) on the bottom side of the base with screws (2).
10. Stick the weaving on the bottom of the base.

CARE INSTRUCTIONS

1. Make sure that power is turned off and bulbs have cooled before handling.
2. Wipe clean with a dry cloth / mild soapy solution. Do not use corrosive cleaners.
3. The cable / cord of this floor lamp cannot be replaced; if the cable is damaged, do not use the light.

ENVIRONMENT

Special waste handling may be required. Please contact your local authorities for more information.
