**ASSEMBLY INSTRUCTIONS**

1. With the aid of the support blocks, gently lay the Bar Cart on the side. On each end of the Bar Cart leg, there is a threaded hole designed to hold the caster. Install the caster together with a Lack washer and Tighten it with Allen Wrench provided. Please repeat the procedure with the other leg.
2. After installing the leg, gently turn the bar cart into an upright position.
3. GLASS SHELF INSTALLATIONS
  - Attach the self-adhesive Rubber Bumps to the rebate frame of the Bar Cart
  - Before installing the glass shelves, set a folded piece of corrugated carton or a piece of rugs on the frame to keep the glass and the finish of the frame from damage.
  - With assistance, gently lift the glass shelf and insert it through the opening of the Bar Cart
  - Once the Glass reaches the other side of the cart, gently remove the carton or rugs and set the glass in place.
  - Repeat the above procedure on the other shelf.
