Expanding on the unprecedented luxury and privacy of the Guesthouse, guests descend a floor-to-ceiling European white oak staircase to a luminous and alluring 32-seat lounge with iridescent champagne lacquered walls and handblown amber glass ceilings. RH Chairman & Chief Executive Officer Gary Friedman commented, “The Champagne & Caviar Bar at the RH Guesthouse New York reflects our vision to imagine an alluring space and immersive experience that transports you to both the glamour of secretive and sensual speakeasies of the past, and the most luxurious private lounges and clubs of the present.” Mr. Friedman continued, “Through our multi-year effort to design this extraordinary new concept, we have developed both a passion for and commitment to caviar and have plans to open Champagne & Caviar Bars in Paris, London, and Aspen over the next three years.”
