RH CONTRACT
**OUTDOOR
CAPABILITIES**

COM

As a custom provider, we offer a COM (Customer's Own Material) furniture program that allows you to transform our product to realize your vision. All collections are now available with the fabric of your choice. Please contact your territory leader for more information.

CUSTOMIZATION

RH Contract has the ability to customize products to meet the needs of your project. Whether a product needs to be scaled differently, have a custom finish or meet specific quality standards, RH Contract's Product Development team will work with you to find a solution to meet the unique requirements of your project, on time and within budget. Minimum order quantities may apply.

SPO/QUICK SHIP

With multiple production channels and global reach, RH Contract has the ability to offer a wide range of supply chain options for outdoor furniture. All collections are available through special order. Orders usually ship within a 12-16 week lead time and can be delivered anywhere in the world. RH stocks many furniture frames that are available for quick ship in 1-2 weeks. Check with your territory leader for details.

OUTSTANDING QUALITY

All RH Contract outdoor collections are meticulously crafted of premium materials to perform in the most demanding environments. All finishes are suitable for outdoor use. Porous, reticulated foam cushions allow for quick dry times and low maintenance.
