TORANO MARBLE ROUND SIDE TABLE

IMPORTANT PLEASE READ**SAFETY INSTRUCTIONS:**

Exercise care and precaution when moving furniture, as careless handling may cause injury and damage.

Never drag furniture. Always lift when moving.

Periodically check all fixtures to ensure none have come loose.

Re-tighten when necessary. Incorrect assembly of furniture can be dangerous.

No liability will be accepted for damage or injury caused by incorrectly assembled furniture.

Heavy item warning.

Take care and seek assistance when lifting heavy furniture to avoid personal injury and/or damage to product.

ASSEMBLY INSTRUCTIONS:

1. Please find the corresponding numbered parts before you assemble the unit.
2. Place marble top (A) on a flat floor covered with a protective material to prevent damage to the marble top. Place base (B) onto the marble top, keep marble top position blocks on the underside of the top between legs to prevent marble top from moving in horizontal direction.
3. The base will align with the wood inserts in the underside of the tabletop, secure using screws (1) and flat washers (2). Place all bolts in position first, then tighten with screwdriver. **Pilot holes are not required.**
4. Cover screw holes with rubber plug (3).
5. Assembly is complete.
6. Adjust levelers as necessary.

CARE INSTRUCTIONS:

Keep your marble top free of dust and dirt will minimize scratches and wear pattern that can form from the everyday use

Clean your marble top on a regular basis with warm water and a clean, non-abrasive cloth, sponge, or mop, in addition, using a neutral cleaner specifically formulated for natural stone will help remove soils that normal dusting or damp mopping leave behind.

Do not use general purpose cleaner or you may damage your marble or the sealer applied. Do not use products that contain lemon, vinegar, or other acids as these may etch the marble surface or damage the polish. Do not use scouring powders or creams; these products contain abrasives that may scratch the surface. Products that contain bleach should not be used to clean your marble surfaces.
