

ALDEN KNOB INSTALLATION INSTRUCTIONS

PARTS INCLUDED

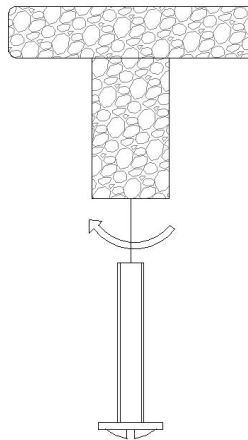

A [1] KNOB

HARDWARE INCLUDED

NO	ITEM	DESCRIPTION	QTY.
1		German Head Screw	2 Pcs

MOUNTING INSTRUCTIONS

1. Lightly mark the center of the knob on the mounting area.
2. After marking the position, carefully drill a hole using a 1/8"-diameter drill bit.
3. Mount the knob at the hole; using a screwdriver, tighten the screw carefully to avoid scratches.
4. Mounting is complete.

CARE NSTRUCTIONS

1. Periodically wipe the knob with a soft clean cloth.
2. To avoid damaging the protective lacquer finish, do not use abrasive or chemical cleaners.

IMPORTANT SAFETY INSTRUCTIONS

1. Do not allow children to play with installed hardware.
