CAST IRON LEGS	B	4
CAST IRON LION’S HEAD FINIALS	C	2
WOOD SCREWS	D	4
HEXAGONAL HEAD WOOD SCREWS	E	8
TOOLS & HARDWARE NEEDED		
SCREWDRIVER		1
SPANNER		1

ASSEMBLY INSTRUCTIONS:

1. Put the planter (A) upside-down on a clean surface.
2. Place the holes in the legs (B) directly over the holes in planter (A).
3. Use provided hexagonal head wood screws (E) to mount the legs to the planter.
4. Turn over the planter.
5. Hold the lion finial (C) flush against the planter so the holes in the finial match the holes in the planter.
6. Use provided wood screws (D) to mount the lion finial.
7. Repeat steps 5 and 6 for second finial (C) on the other side of the planter.
9. Assembly is complete.
