ITEMS	DIAGRAM	DESCRIPTION	QTY.
-------	---------	-------------	------

IMPORTANT SAFETY INSTRUCTIONS:

1. Use an authorized and certified electrician for consultation and installation.
2. This fixture has been rated for 4x25-watt maximum E12 standard bulb.
3. To avoid the risk of fire, do not exceed the recommended wattage.
4. The manufacturer and distributor accepts no liability for incorrect installation.
5. For indoor use only.
6. Keep away from children.

Warnings:

1. Turn-off electricity supply at main circuit panel before installing. Do not connect electricity supply until the table lamp is fully assembled and installed.
2. All wires are connected. Do not remove the table lamp from its packaging by pulling on the power cord, as a bad connection may result.
3. To reduce the risk of fire, electrical shock, or personal injury, always turn off the table lamp and allow it to cool prior to replacing light bulb. Do not touch bulb when fixture is turned on or look directly at light bulb. Keep flammable materials away from light bulb.
4. Deviation from instructions may result in a risk of fire or electric shock.
