FEATURES

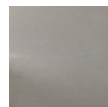

Premium materials and artful engineering endow TUUCI® umbrellas with extraordinary durability and functionality. Marine-grade aluminum combines with an all-weather Sunbrella® canopy to withstand any season with ease.

- Umbrellas available with hexagonal or square canopy
- Canopy available in 7 colors in Sunbrella® Canvas fabric
- Durable, fade-resistant Sunbrella fabric is impervious to sun, wind and salt water
- Sunbrella fabrics provide up to 98% UV protection and have been awarded the Seal of Recommendation by the Skin Cancer Foundation

- Umbrellas open and close smoothly with a standard pulley lift mechanism, secured with a pin
- Canopy secures to frame with a ballistic nylon pocket
- Umbrellas have a marine satin anodized finish
- Stands are made of galvanized steel with a silver finish
- Vented canopies provide added wind resistance and optimal wind circulation
- Frames are constructed with marine-grade aluminum and stainless steel hardware
- Made in the USA
