### FEATURES

An 18th-century counterpoint to the extravagance of Rococo, the Directoire period celebrated the balance and refinement of Classical Greek architecture and neoclassical forms. Our bedroom collection, a faithful reproduction of an antique, displays the slender, elegant proportions that define the period, with carved wood panel detailing, hand-turned posts and ball finial accents. We replicated the patina finish of the original antique, worn and distressed to showcase the beauty of the white oak.

- Beds are upholstered in elegant sand Belgian Linen
- Beds include wooden slat support systems; require a standard mattress and box spring
- Hand-built of kiln-dried solid white oak and oak veneer with visible knots. Imperfections and nicks are to be expected and are part of the wood's character
- Hand-finished in a 15-step process that showcases the beauty of the wood's grain
- Turned block-and-bulb posts and ball finials
- Mortise-and-tenon joinery

- English-dovetailed drawers
- Dust-proof panels between each drawer
- Wood-on-wood glides
- Antique brass hardware

### CARE

Dust or vacuum regularly to help keep fabric looking new. Dab spills immediately with a soft white cloth dampened with distilled water. Do not use tap water or detergents to clean. Professional in-home upholstery cleaning is recommended. Wipe wood with a soft, dry cloth. Avoid direct sunlight and heat to protect fabric and wood.
