RESTORATION HARDWARE

HEIRLOOM SILVER-CHEST COLLECTION

FEATURES

In the days of heirloom silver, families stored their prized flatware and serving pieces in heavyweight wooden trunks fitted with interior organization. Inspired by the aesthetic and impressed by the practical utility of the trunk, we've repurposed it in our artisan-crafted Heirloom Silver-Chest Bedroom Collection.

- Built by hand of solid hardwood with riveted iron straps
- Hand-forged, hand-hammered iron hardware has a hand-applied, rust-hued natural finish
- Bed includes wooden support system; requires mattress only; box spring is optional
- Armoire has 1 fixed shelf and 1 adjustable shelf for ample space for display and storage; functions as a wardrobe with a removable rod, and as an entertainment center with a wire management system built into the back panel for easy and organized media hook-up

- Dresser, nightstand, and platform storage bed have English-dovetailed drawers with wood-on-wood glides
- Artisan crafted with meticulous care. Given its handmade and hand-finished nature, variations in the wood or metalwork are to be expected and celebrated. Each item is unique and no two are exactly alike.
- Crafted with unsealed metal that may rust over time, enhancing its rustic one-of-a-kind character. Note that the rust may rub off if it comes in contact with other furniture or fabrics.

CARE

For normal daily care, dust with a feather duster or wipe with a clean, dry cloth.
