### FEATURES

Evoking the architectural classicism of turn-of-the-century design, St. James is grand in both scale and beauty. An intensive seven-step finishing process results in a weathered, distressed patina that makes each piece unique.

- Corbel supports and dentils along the top of the bed's headboard and footboard
- Hand-carved fluted cornices
- Crafted of hardwood
- Each bed includes a wood slat support system and requires a standard mattress and box spring
- Daybeds feature a linkspring and pop-up trundle, hidden behind a piano-hinged door, and fit a standard mattress
- Top drawers and Armoire feature functioning key-lock entries

- Lingerie Chest's top drawer features removable velvet-lined jewelry tray and key
- Armoire functions as wardrobe with removable clothing rod and shelves, and as an entertainment center with a wire-management system
- Mortise-and-tenon joinery
- English-dovetailed drawers
- Dust-proof panels between each drawer
- Cast brass hardware
