CARE

Dust or vacuum upholstered beds regularly to help keep fabric looking new. Dab spills immediately with a soft white cloth dampened with distilled water. Do not use tap water or detergents to clean. Professional in-home upholstery cleaning is recommended. Wipe wood with a soft, dry cloth. Avoid direct sunlight and heat to protect fabric and wood.

SWATCHES

Complimentary fabric swatches available online, in stores or by calling 800.816.0901; wood swatches available for purchase.
