FEATURES

Enjoy the warm, inviting ambience of candlelight with battery-operated flameless candles that flicker and glow.

- Choose from flameless resin or paraffin wax candles
- Free of soot and smoke
- Child-friendly and pet safe
- Pillars (sold individually) each have 1000 hours of battery life
- Votives (sold as set of four) each have 100 hours of battery life
- Batteries sold separately at all Restoration Hardware stores

INDOOR/OUTDOOR FLAMELESS CANDLES (shown left)

- In white
- Can be used on any outdoor or indoor surface
- Made of resin, which does not melt
- Automatic 5 or 10-hour timer mode on Pillars repeats every 24 hours; votives do not include timer
- Select indoor/outdoor styles available with remote control capabilities; see website for details

- Pillars require 2 D batteries (not included)
- Votives require 1 coin battery (included)
- Votives feature removable weatherproof base for outdoor use
- Mechanical housing made of rustproof stainless steel
- Available in 11 sizes

WAX FLAMELESS CANDLES (shown right)

- In ivory; votives available in white or ivory
- For indoor use
- Enclosed in a thick layer of paraffin wax
- Easy-to-use timer on pillars turns the candle on automatically at a preset time each day, or lets you manually turn on and off; votives do not include timer
- Pillars require 2 C batteries (sold separately)
- Votives require 1 coin battery (included)
- Available in 13 sizes
- Avoid placing wax candles near any heat source that could cause wax to soften or melt. Place on a protective base to avoid wax or oil deposits.
