FEATURES

Balustrade tables and distinctive hardwood sideboards like these were once part of life in medieval, 17th-century monasteries. Today, our reproductions are true to the original's hand-hewn style and design.

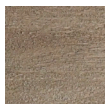

- By their nature, unsealed wood planks may be somewhat uneven, and may cup or bow slightly over time, further enhancing their rustic one-of-a-kind character; cracks may be present
- Tables are hand planed, sanded and finished to enhance the distressed look
- Sideboard features 4 doors that conceal 2 adjustable shelves and 2 drawers for storage; hardware has a soft-iron finish

CARE

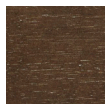

Wipe with a soft, dry cloth.
