### FEATURES

Sturdy, cross-braced construction and enduring materials testify to the industrial origins of commercial shelving in early 20th-century Europe. We've reproduced it in exacting detail, using reclaimed pine, a triangular lattice pattern and an artisan's touch.

- Handcrafted construction of reclaimed pine
- Intensive, multistep wood-finishing process results in a weathered finish
- Rounded corners at top and bottom, front and back
- Parallel timber-frame supports are reinforced by diagonal bracing
- Fitted with steel hardware and tubing; rolled sheet steel wraps the metal shelves

- Powder-coated, lacquered metal shelves with zinc finish, sealed with protective topcoat
- 77½"H Single Shelving has 4 fixed shelves; 94¼"H has 5 fixed shelves
- 77½"H Double Shelving has 8 fixed shelves; 94¼"H has 10 fixed shelves
- Steel X-brace at back
- Available in 1 metal and 1 wood finish

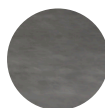

### CARE

Wipe with a soft, dry cloth.

### SWATCHES

Swatches available for purchase online, in stores or by calling 800.816.0901.

#### Metal Finish

Aged Zinc

#### Wood Finish

Antiqued Pine
