### FEATURES

Paying homage to the sweeping lines of mid-century furnishings, our table is a study in simplicity. Defined by its balanced proportions and arching, sculptural curves, our interpretation pairs a cast metal pedestal base with a reclaimed wood top repurposed from 100-year-old solid elm doors.

- Elm from old exterior doors is set in a cast metal base with an oil-rubbed bronze finish
- Reclaimed elm is hand-selected, planed, sanded smooth and sealed with lacquer to highlight the wood's grain

- Cracks and shade variations, as well as nicks, nail marks and other imperfections reflect the wood's provenance
- By their nature, reclaimed elm planks may be somewhat uneven, and may cup or bow slightly over time

### CARE

Clear furniture wax can be applied to protect the finish from minor spills. Use coasters or placemats to help prevent marks or stains. Avoid mineral oil, as its usage could discolor the wood. Wipe the table clean with a soft, dry cloth after each use.
