### FEATURES

Like the '80s original that inspired it, our industrial-style table collection co-opts a construction-site classic for interior use. We've improved on the model with height adjusters that add flexibility to its sturdy design.

- Steel bar frame
- Welded end caps close the steel crossbars
- Tubular vertical supports glide through scratch-preventing plastic guides

- ¾"-thick, tempered-glass top has an eased edge and slightly rounded corners
- Pin-and-post adjustment secures top at 3 heights
- Available in aluminum with electroplated bronze finish or in polished steel

### CARE

Wipe with a soft, dry cloth. Clean glass tabletops with standard glass cleaner.
