### FEATURES

Inspired by late-18th-century French furnishings, we've captured the linearity, rectangular shapes and painted finishes associated with that period. Crafted of solid hardwood, each piece has tapered, slightly turned legs that are fluted, a reference to Classic columns.

- Crafted of solid hardwood
- Mortise-and-tenon joinery
- 77"H and 91"H Shelving has 1 fixed and 4 adjustable shelves
- Antiqued grey finish features a textured, sandblasted surface; other finish options feature a smooth surface

- Intensive multistep finishing process results in a weathered, distressed patina
- Imperfections and nicks are to be expected, and are part of the wood's character
- Available in 6 wood finishes
